Published bimonthly by the Crop Science Society of America, Inc. Forms close 20 days prior to issuance of each number. Periodicals postage paid at Madison, WI, and at additional mailing offices, ISSN (0011-183X).

**Postmaster:** Send address change to Crop Science, 677 S. Segoe Rd., Madison, WI 53711.

**Manuscript Submission Procedure:** Submit your Crop Science manuscript online at <http://mc.manuscriptcentral.com/crop/>. Detailed instructions for creating and uploading files can be found at this site, along with instructions related to logging on to the Crop Science Manuscript Central at <http://mc.manuscriptcentral.com/crop/>. For additional information, see <http://crop.scijournals.org/misc/ifora.shtml>.

**Subscription Rates:** \$625 per year. All back volumes available at \$550 per volume, \$100 per issue. Add \$38.00 per volume or \$10 per issue on orders outside the USA. Cumulative author and subject index for vol. 1–5, vol. 6–10, vol. 11–15, vol. 16–20, and vol. 21–25 available at \$3 each. Payment in advance is required on international orders for back issues.

New subscriptions, renewals, and new memberships that include Crop Science begin with the January–February number of the current volume. Those signing up after 1 October have the option of starting with the next volume.

Changes of address should be received by the first of the month in which they are to take effect.

Claims for copies that fail to reach subscribers must be received within

three months of publication date for domestic subscriptions, and within six months of publication date for international subscriptions.

Subscriptions, renewals, and membership fees for the current volume and orders for back numbers should be sent to the Crop Science Society of America, 677 S. Segoe Rd., Madison, WI 53711.

Full-length manuscripts accepted for publication in Crop Science are assessed a publication charge of \$450 for members and \$700 for nonmembers for the first seven pages; a charge of \$50 per page after seven pages is also assessed. Authors are charged \$10 per illustration, \$10 per table, and \$1000 per page of color.

Opinions and conclusions expressed by authors are their own and are not considered as those of the Crop Science Society of America, its staff, its members, or its advertisers. Advertisements in this publication do not constitute an endorsement of the product. Trade names are sometimes mentioned in papers published in this journal. No endorsement of those products by the publisher is intended, nor is any criticism implied of similar products not mentioned.

The Crop Science Society of America considers the printed version of Crop Science as the official version of record.
