Payment in advance is required on international orders for back issues.

New subscriptions, renewals, and new memberships that include *Crop Science* begin with the January-February number of the current volume.

Changes of address should be received by the first of the month in which they are to take effect.

Claims for copies that fail to reach subscribers must be received within 3 months of publication date for domestic subscriptions, and within 6 months of publication date for international subscriptions.

Subscriptions, renewals, and membership fees for the current volume and orders for back numbers should be sent to the Crop Science Society of America, 677 S. Segoe Rd., Madison, WI 53711. Submit manuscripts to the same address.

Crop Registration Committee

Members of the C852 Crop Registration Committee of the Crop Science Society of America review manuscripts on the registration of crop cultivars, germplasm, parental lines, genetic stocks, and restriction fragment length polymorphism (RFLP) maplines for publication in *Crop Science*. Authors should direct such manuscripts to the subcommittee member for the specific crop or for other crops to the chair, at the addresses printed below.
